

GEM LUXE AESTHETICS

OFFICE POLICIES FOR PATIENTS

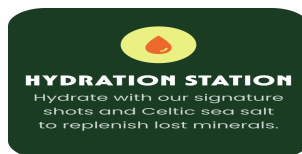

Welcome to **GEM LUXE AESTHETICS**. This notice is to inform you, the patient, of the policies in our practice.

A patient is considered an active patient/returning patient if they are treated on an ongoing basis. Any lengthy disruption of treatment will cause you to be considered an inactive patient, as described below.

If a patient remains inactive for 2 months, the access to our online tools and phone app will be deactivated. An email reminder will be sent to notify you. Upon the return to the practice, the tools will be reactivated.

If a patient has not been seen in any of our locations for 2 years, they will be considered a New Patient the next time they come in. The visit will be a New Patient visit, and the patient will be charged as a New Patient.

Please sign below to acknowledge you have read this policy:
